## Computer Based Testing (CBT) Announcement

The BCRSP's Certification and Examination Committee is transitioning from a paper and pencil to a computer based testing (CBT) examination.

A pilot CBT administration of the examination (CRSPEX) was conducted for candidates in the Greater Toronto Area (GTA) writing the May 2010 examination.

This pilot CBT administration will be expanded to include the BC Lower Mainland (Vancouver), Alberta South (Calgary) and Nova Scotia Regional Screening Centres for the October CRSPEX. **The examination will be administered through third party test centres the week of October 4, 2010.**

Information on test centre locations and the procedure to register for this CBT administration will be sent to candidates confirming their writing in Calgary, Halifax, Toronto and Vancouver.

The Board anticipates moving to full CBT administration in 2011.
