

Board of Canadian Registered Safety Professionals
Conseil canadien des professionnels en sécurité agréés

QUALITY STATEMENT

BCRSP is committed to the highest standards of performance while protecting and promoting Occupational Health, Safety (OHS) and Public Safety through the registration of qualified OHS Professionals committed to a Code of Ethics.

The objectives of the BCRSP are:

- (1) Establish the minimum academic, professional development and experience qualifications required to be registered in Canada as an OHS professional.
- (2) Ensure that persons who meet the qualification requirements pledge under oath their integrity to uphold the highest standard of ethics pertaining to the OHS profession.
- (3) Establish and oversee a registration process whereby a person may be registered as an OHS professional.
- (4) Protect and promote occupational health, safety and public safety through the registration of qualified OHS professionals committed to a Code of Ethics.
- (5) Promote the OHS profession across Canada.
- (6) Provide services to members so as to ensure on-going professional development.
