

GUIDELINES FOR BCRSP SCHOLARSHIPS

BCRSP Scholarships may be applied for by any **full- or part-time student** in a two, three, or, four year *Occupational Health and Safety Program* (see samples - Appendix A) at the **undergraduate level**.

The student must have better than average grades (**80% or better with no failing grades**) entering the **final year** of their program (ie – program will be completed within twelve months of scholarship application submission).

Applicants **must apply in writing** for the award.

- **The fund** will be limited to a maximum of \$10,000 per year. The fund may not always be used.
- **Awards** are generally \$1000 per applicant.
- **To qualify**, the applicant must be a full- or part-time student in a two, three, or, four year post-secondary program in *Occupational Health and Safety Studies*.
- **Each program** must be a minimum of two years in duration which may be expressed as a total number of class hours per program or approximately 2,000 ($\pm 10\%$) total class hours per program or equivalent (see Appendix A).
- **Each program** should have a majority of the courses proprietary to occupational health and safety topics (see Appendix B).
- **Each program** should have at least 15% of the courses dealing with mathematics and natural sciences (see Appendix C).
- **Each program** should have written communication as an important part of student evaluation.

How to Apply

Students must apply using the application form on the BCRSP's website. The application must include:

- completed application form
- official sealed transcript (forwarded directly to the BCRSP by the granting institution)
- course outlines/descriptions
- program chair or faculty advisor confirmation of acceptance into final year of program
- program chair or faculty advisor personal reference letter
- application deadline: **December 31**

APPENDIX A

Programs that would qualify include, but are not limited to:

Degree Programs

Ryerson University (ON)

Diploma Programs

Algonquin College (ON)

British Columbia Institute of Technology (BC)

College of the North Atlantic (NL)

Northern Alberta Institute of Technology (AB)

Application Review

Scholarship applications are reviewed annually at the first Governing Board meeting of each calendar year (generally held in February).

Students will be advised re the status of their application following the Governing Board meeting.

Application Form

Scholarship applications, with the exception of college/university transcript, may be submitted electronically (info@bcrsp.ca).

APPENDIX B

Occupational health and safety courses:

Accident Theory

Engineering Economic Analysis

Environmental Management/Protection

Epidemiology

Ergonomics

Exhaust - Ventilation

Fire Protection/Prevention

Hazard Evaluation and Control

Health Promotion/Wellness

Hygiene Methods/Monitoring

Industrial Psychology

Loss Control

Occupational Health (Chemical Agents)

Occupational Health (Physical Agents)

OH&S Legislation

OH&S and WCB Management Systems

Plant Layout

Presentation Skills

Product and Public Safety

Project Management

Radiation Biology

Risk Management

Toxicology/Biohazards

Workplace/Sectoral Safety

APPENDIX C

Mathematics and natural sciences courses:

Mathematics

Calculus

Statistics, Applied Statistics, Biostatistics, etc.

Mechanics

Statics

Strength of Materials

Stress Analysis

Physics - various

Chemistry - various

General Science - various

Submit Application to:

Executive Director

Board of Canadian Registered Safety Professionals

6519B Mississauga Road

Mississauga, ON

L5N 1A6
